We noticed one of the High School students looking in a telephone book for a number on the Barons line. We wonder if she was just learning it or was she just making sure she had it memorized rightly?

Meeting of Electors

—v—

A meeting of the electors of municipal district of Harmony No. 128, was held recently in the Community hall. There was a good attendance, Harry Higgins acted as chairman with Ed Carlson as secretary.

The meeting was marked by a feeling of keen regret as electors expressed regret at the loss of councilmen who have given unsparingly of their time and energy to put the municipal district of Harmony on top financially and otherwise.

Cash on hand at December 31, 1942, \$7124.74; with \$3000 in Victory bonds, making a total of \$10,124.75. Other Victory bonds held were used in payment of a public works account.

The municipalities' assets amount to \$17,012, office and lot \$4,100, office equipment, \$1300, machinery \$11,362 and machine shed \$250.

Due to the Lethbridge school division No. 7 increasing its annual requisition on the municipal district of Harmony by a further \$2700 it was again necessary to increase the mill rate for this portion of the district for school taxes, but it was possible to reduce the mill rate for school taxes by two mills for the Macleod school division and by 1½ mills for the Foothills school division arrears of the district, while the municipal tax mill rate was also reduced by ½ mill, to 6½ mills.

The long standing claim of the Alberta provincial department public works of \$3,690.39 for secondary highway construction was settled by payment of \$16,000 during 1942. Surplus of municipal assets again increased and at December, 31, 1942, were some \$5,156.74 while tax arrears for municipal account again decreased by approximately \$2475.

Municipal expenditures were also again decreased in 1942 by some \$2,100.00.
